League Objective

The objective of SD Junior Football is to promote, manage and conduct an organized youth football program that teaches the basics of the game of football, sportsmanship and teamwork in a positive, encouraging environment that will assist all participants in improving self-worth and confidence.

Why Sponsor?

Your support helps defray the ever-growing cost of operating the league. These costs include equipment, uniforms, referees, insurance, awards and upkeep of the facility. You can rest assured that all the sponsorship funds will go back to the kids and the betterment of the League. SD Junior Football is a 501 C3 Non-profit and is completely ran by volunteers.
